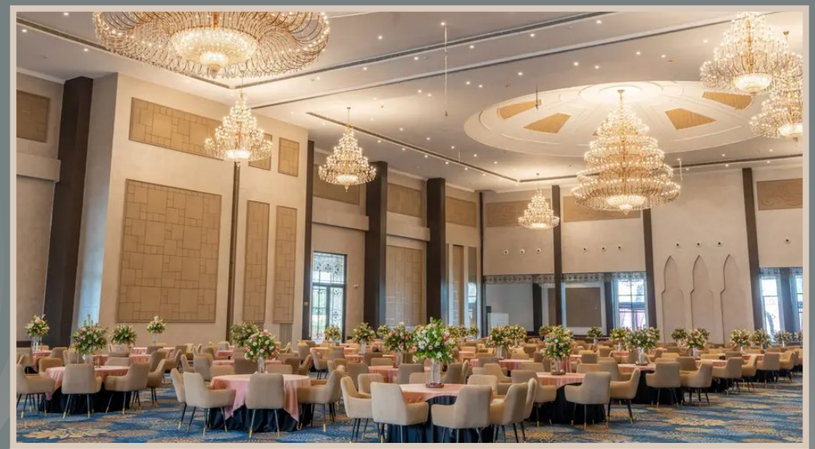
G&A SEATING

HOSPITALITY & HEALTHCARE COLLECTION

G&A COMMERCIAL SEATING PRODUCTS

G&A Commercial Seating Products is excited to introduce our new line of furniture for the healthcare and hospitality industries. These chairs feature a lightweight aluminum frame, high density foam, and large upholstered seats and backs. We've blended ergonomic excellence with modern aesthetics to meet the unique demands of senior living facilities, hotels, country clubs, and more.

This new line offers several customization options including frame color, fabric selection, and caster addition. Each of these chairs is offered with one of six high durability wood grain frame finishes to merge the robustness of aluminum frames with the elegance of wood furniture.



UPHOLSTERY OPTIONS

Visit our **Upholstery Collection** page to search through thousands of upholstery options.

https://upholstery.gaseating.com/upholstery-swatches

Our company offers the option of COM (Customer's Own Material) in our chair production, enabling clients to select their own materials to create chairs that perfectly align with their unique preference.
